## PANAMA CANAL LAW

TEST CASE IS BROUGHT  
IN THE SUPREME COURT.

Action is in the Nature of an Injunction to Prevent Expenditure of Money for the Building of the Canal Every Action in Relation to the Acquisition of Canal one is Questioned.

Washington, D. C., Oct. 25.—The case of Warren B. Wilson of Hinsdale, Ill., against Secretary of the Treasury Shaw, which was called for hearing today in the supreme court of the District of Columbia, has attracted keen attention from the fact that it involves the constitutionality of the Spooner act for the construction of the Panama canal, and, in fact, the entire proceedings of the United States in the purchase of the canal and the work upon its construction.

The suit is for the purpose of preventing Secretary Shaw from paying out any money for the construction of the canal or of issuing bonds for money to continue the construction.

It is asserted in the petition that the Spooner act is unconstitutional and invalid, both in Panama and the United States; that even if it were a valid and legal enactment, its terms and conditions have not been complied with and do not purport to authorize the payments that are now being made; that the payments being made are unauthorized and unwarranted, violating the provisions of the constitution, which state that no money shall be drawn from the treasury except upon appropriation made by law.

### COLUMBIA'S UNIVERSITY.

Famous Institution is One Hundred Fifty Years Old.

New York, Oct. 25.—Columbia University, known in its early days as King's college, celebrates its 150th anniversary this week and the event promises to be one of great note in the educational world. Already numerous educators of prominence are arriving from various parts of the country to take part in the program.

As a preliminary to the celebration there was begun today a series of conferences or lectures by a number of eminent foreign scholars. This part of the program, which is purely academic in character, will be succeeded by three days of exercises which will be of more general public interest. Next Saturday will be given over to the students; all exercises on that day will be planned and conducted by them. On Sunday there will be a religious service of praise and thanksgiving, and the following day the celebration will close with a reception and luncheon to the famous guests of the university. A leading feature of the exercises will be an address by Dr. Nicholas Murray Butler, the president, reviewing the history of the university and its achievements.

## DISFIGURED WITH ECZEMA

Under Physicians Five Months. Went from Bad to Worse.

### CURED BY CUTICURA

Wonderful Change in One Night. In a Month Face Was Clean as Ever.

"I was troubled with eczema on the face for five months during which time I was in the care of physicians. My face was in such a condition that I could not go out. It was going from bad to worse and I gave up all hope, when a friend of mine highly recommended Cuticura Remedies. The first night after I washed my face with Cuticura Soap and used Cuticura Ointment and Cuticura Resolvent it changed wonderfully, and continuing the treatment it removed all scales and scabs. From that day I was able to go out, and in a month my face was as clean as ever."  
THOMAS J. SOTH, 317 Stagg St., Brooklyn, N. Y.

The above letter was received in 1898 and he again writes us Feb. 19, 1903, "I have not been troubled with eczema since."

The agonizing itching and burning of the skin as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures of the civilized world.

Sold throughout the world. Cuticura Resolvent, 50c. (in form of Chicoutout Colored Pills, 50c. per box of 50). Cuticura Soap, 25c. per box of 50. Cuticura Ointment, 25c. per box of 50. Cuticura Resolvent, 50c. per box of 50. Cuticura Soap, 25c. per box of 50. Cuticura Ointment, 25c. per box of 50. Cuticura Resolvent, 50c. per box of 50.
